This masterpiece is created by combining Moliterno cheese with Raboso wine. After aging, the cheese drowns in barrels of Raboso wine, infusing the cheese with the sweetness of the wine throughout the wheel.

HCMRP - Pepato 8/7oz
HCMP - Pepato 2/12lb

Pepato

Studded with three layers of black peppercorns, this 3-months-aged pecorino is another spectacular cheese from the Moliterno family.

HCMRT - Al Tartufo 8/7oz

Al Tartufo

It all starts with the original family recipe from 1910. After the cheese develops its own flavor during the aging process, the deep musky aroma of summer black truffles are finally infused throughout the wheel.
