

Handcrafted Artisanal Italian Salami Since 1971

For nearly half a century, Licini has celebrated the ancient art of salumi by producing old world specialties with the same care and dedication. Every day, this age-old craft is honored: boning and trimming the finest fresh meat, blending in secret spices, hanging the meats in temperature controlled rooms for curing. Under the watchful eye of master salumi-makers, salami, guanciale and more are aged to perfection!
