Giusti white condiment is born from a soft pressing of Trebbiano grapes, from which a particularly sweet juice is obtained. This is then combined with high quality white vinegars and aged in French oak and ash wooden barrels. This process keeps all the fruity and floral aromas of the grapes, creating a very pleasant condiment, thanks to the contrast of its low acidity and the notes of sweet, yellow fruits and dried citrus.

Fresh and balanced, it is extremely versatile and easy to use.
