## Credit Policy

To our valued customer:

Thank you for choosing Accardi Foods, Bacchus Imports, and Espresso Plus as your supplier for specialty food and wine products, and equipment and equipment repair. We pride ourselves in providing unmatched personal service, quality products, and equipment and service repairs at a fair price.

The first two orders and/or equipment repair new customers receive will be delivered COD (we accept cash, certified checks, and Visa/MC). Customers who desire credit terms must provide us with a completed credit application that has been signed by an authorized representative. Terms will be established (and subject to change) based on a variety of credit and business factors. We require payment within the terms indicated on each invoice. Invoices that are beyond your established terms will be considered delinquent, subject to interest and collection costs. Orders placed and equipment repair requests by customers with past due invoices will be processed at Accardi's, Espresso Plus's, and Bacchus Imports' s discretion.

In order to provide you with highest quality products and service you deserve, we strictly enforce our credit policy. You will receive an invoice with each product delivery and an invoice or service work order for repairs on equipment as well as monthly statements indicating all open invoices. Your salesperson will be your primary contact for both purchasing and payment matters. Additionally, if you have questions or need additional information regarding an Accardi or Bacchus invoice, Russ Beegan, our Credit Manager (x201) and Grace Snow (x124), Accardi's A/R Manager, can be reached at 781-391-2400. For questions or further information regarding equipment repairs, Tom Pappa, Espresso Plus' Service Manager (x100), can be reached at 781-396-2100.

Please return all credit applications to [AR@accardifoods.com](mailto:AR@accardifoods.com) or fax to 781-533-9037.

We are dedicated to providing you with the quality products, service and personal attention that Accardi Foods has been built and prospered on. Please work closely with us on this matter and do not hesitate to call should you have any questions or concerns.

Thank you for the opportunity to service you.

Sincerely,

*Anthony DeVirgilio*
