

Embark on a journey of unparalleled taste and sustainability with Lund's Sea Legend brand. Since 1954, Lund's Fisheries has set the standard for trust and excellence worldwide. With a legacy spanning generations, we proudly lead the industry in finfish, scallops, and stand alone as the sole domestic producer of all three U.S. squid species. Our dedicated team of 200 employees operates one of the largest seafood processing facilities on the eastern seaboard, ensuring that every day, our commitment to freshness and quality is unwavering. Trust Lund's Sea Legend for an unmatched seafood experience that's as reliable as it is delicious
